MEMORANDUM FOR: Acting Deputy Director/Intelligence

SUBJECT: [REDACTED] -- Request for Postponement
25X1A9a of Jury Duty

25X1A9a

25X1A9a The Acting Chief for Economic Research in ORR, [REDACTED] (regularly Deputy Chief for Economic Research), has received a summons to serve as a juror at the Municipal Court of the District of Columbia during a term to commence on 2 December 1958. It is our understanding that the normal period of jury duty is approximately one month. Since [REDACTED] absence during December would create a serious problem for this Office, I am hopeful that the Agency will support [REDACTED] in a request for a postponement.

25X1A9a

2. As you know, the Chief for Economic Research, [REDACTED] is absent on extended temporary duty outside the United States and is not expected to return until the first of the year. Moreover, I will be absent for the first half of December, having been designated as CIA's participant at the Brookings Institution's Conference of Government Executives in Williamsburg at that time.

25X1A9a 3. [REDACTED] absence from the Office during December would therefore fall at a particularly inconvenient time, since there will be no one else in the Office during December who has his understanding and operational grasp of the activities and commitments of the Economic Research Area.

4. This request for postponement is being made only after thorough and careful review of the operating situation we face during December. Once previously [REDACTED] was called for jury duty -- at the time [REDACTED] was attending the Harvard Management course (spring 1957). Because of [REDACTED] absence at that time, 25X1A9a a postponement was sought and granted. [REDACTED] understands and 25X1A9a supports the Agency's normal reluctance to request special treatment in cases of this kind. It is unfortunate that his second summons comes at this time. In view of the situation that will then exist, I must conclude that [REDACTED] can better serve the Government in his professional capacity during this period than as a member of a

If you agree, I would be grateful if you would advise the Agency's
General Legal Counselor of this matter and request his assistance in seeking
the desired postponement.
